The Right Step For The Right Future

World Class Education

Access UGC-entitled online degrees from a NAAC A+ accredited university with 15+ years of educational excellence. Learn from experienced faculty who are experts in their domains.

Next-Gen Pedagogy

Attend live classes and access recorded lectures & e-learning content anywhere, anytime through our advanced digital learning platform.

Global Networking Opportunities

Expand your professional network by interacting with peers, faculty & other professionals across industries. Attend regular webinars led by experts to get industry insights.

Prestigious Manipal Alumni Status

Benefit from 70+ years of Manipal legacy and become a member of the reputed alumni network.

Placement Assistance

Become a job-ready professional through placement assistance which includes resume building, mock interviews, skill assessments, and more.

Exhaustive Content & Resources

Access an exhaustive e-library with over 1,80,000 e-books, e-databases, journals, and more. Get free access to 110+ hours of skill enhancement content worth INR 50,000.

Attractive Scholarships

Gain access to exclusive scholarships designed for defense personnel, government employees, differently abled people & meritorious students.

Special access to Coursera

Unlock 12,000+ courses and certifications at a special price of INR 3,999 (vs. INR 13,999). Available as an optional add-on during/after admission with a validity of one year from the date of activation.

“

I wanted to specialize in marketing, which is why I decided to start by pursuing an online BBA. As a working professional, an online degree was the best choice for me. The faculty at MUJ are experienced and; guide us well and the student portal is user-friendly.

”

- Rohan Kaywal

Program Delivery

Quality education, delivered seamlessly through state-of-the-art technology, so learning never slows down.

- ◆ Online program entitled by UGC
- ◆ 24x7 learning with best-suited content
- ◆ Career support to find your dream job
- ◆ Expert faculty and mentors
- ◆ Industry expert sessions, webinars and projects
- ◆ Foundation courses
- ◆ Access to Coursera at additional fee
- ◆ Scholarships for deserving candidates

“

I have been working as a lab technician in Manipal University Jaipur for 8 years, I have good technical skills like video recording and editing. However, I wanted to improve my knowledge, so I decided to pursue an online MA JMC. I want to pursue my PhD after this online program, and I also hope to become a news anchor one day.

”

- Ashok Sharma

Eligibility

- ◆ Candidates must have a 10 + 2 + 3-year bachelor's degree from a recognized university/institution or an equivalent qualification as recognized by the Association of Indian Universities.
- ◆ Candidates must have a minimum of 50% marks in aggregate in graduation (45% for reserved categories).
- ◆ Candidates who have completed 10+2 education or graduate level education outside India must produce a certificate of equivalence issued by the Association of Indian Universities.

Duration

- ◆ Minimum 2 years (divided into four semesters)

Career prospects

- ◆ Digital Marketing Specialist
- ◆ Brand Manager
- ◆ Product Manager
- ◆ Wealth Manager
- ◆ Supply Chain & Operations Manager
- ◆ Business Analyst

Master of Business Administration

Online MBA

Leap ahead in just 24 months, with a program that prepares you to excel as a leader in today's competitive world. Choose from 13 career-focused online MBA specializations to build a successful career path in your chosen domain.

Achieve an Increased earning potential, gain job-ready business skills, and access to a global network of alumni.

First Semester

- ◆ Entrepreneurial Practice
- ◆ Business Communication (WAC)
- ◆ Managerial Economics
- ◆ Financial Accounting
- ◆ Data Visualization (Excel/Tableau)
- ◆ Organizational Behaviour
- ◆ Marketing Management

Second Semester

- ◆ Business Research Methods (R/Python)
- ◆ Operation Management
- ◆ Human Resource Management
- ◆ Management Accounting
- ◆ Financial Management
- ◆ Legal Aspects of Business
- ◆ Business Communication (VAC)

Third Semester

- ◆ Strategic Management
- ◆ Term Paper
- ◆ 4 elective courses in chosen area

Fourth Semester

- ◆ International Business Management
- ◆ Project
- ◆ 4 elective courses in chosen area
- ◆ For super specialization, elective group from semester 3 can be continued here

- ◆ Total credits: 90
- ◆ Business Communication subjects in Semester 1 & 2 carry 2 credits each
- ◆ Elective subjects carry 4 credits each
- ◆ Project during the final semester carries 6 credits

- ◆ Learners are responsible for identifying their own project guide in accordance with the university's eligibility criteria
- Note:** For super specialization, students will continue with subjects from their chosen elective group across both Semester 3 and Semester 4. For dual specialization, students can choose two elective groups. Semester 3 will cover all subjects from Elective 1, while Semester 4 will cover all subjects from Elective 2. Subjects from each elective group are completed in separate semesters, without overlap.

Master of Computer Applications

Online MCA

This MCA program features a future-ready curriculum with in-demand specializations like AI, Data Science, Cybersecurity, and Machine Learning. Designed for tech-driven professionals, it blends core computer science knowledge with real-world applications, preparing students for roles in software development, data analysis, IT management, and more. Flexible and industry-focused, it's ideal for those looking to build strong technical and problem-solving skills for today's digital economy.

Online MCA

Program Structure

First Semester

- ◆ Fundamentals of Computer
- ◆ Fundamental of Mathematics
- ◆ Discrete Mathematics and Graph Theory
- ◆ Python Programming
- ◆ Programming & Problem-Solving using C
- ◆ Relational Database Management System
- ◆ Data Visualization
- ◆ Relational Database Management - Lab
- ◆ Programming & Problem-Solving using C - Lab
- ◆ Python Programming - Lab

Second Semester

- ◆ Computer Networks & Protocols
- ◆ Object Oriented Programming using JAVA
- ◆ Operating System
- ◆ Data Structure and Algorithms
- ◆ Computer Architecture
- ◆ Elective – I
- ◆ Object Oriented Programming using JAVA - Lab
- ◆ Data Structure and Algorithms - Lab

Third Semester

- ◆ Unix & Shell Programming
- ◆ Web Technology
- ◆ Software Engineering & Project Management
- ◆ Elective II
- ◆ Elective – III
- ◆ Unix & Shell Programming – Lab
- ◆ Web Technology - Lab

Fourth Semester

- ◆ Mobile Application Development
- ◆ Project Work
- ◆ Elective - IV

- ◆ Total Credits: 85
- ◆ Labs carry 1 credit each
- ◆ Computer Architecture during the second semester carries 2 credits
- ◆ Project Work during the final year carries 8 credits

- ◆ Learners are responsible for identifying their own project guide in accordance with the university's eligibility criteria

Note: MUJ reserves the right to change the program design, format, number of sessions, certificate format, and terms in the program or can incorporate any such change deemed necessary by the institute without prior intimation.

Program Specializations/Electives

Electives	Elective I	Elective II	Elective III	Elective IV
01 AI and Data Science	Artificial Intelligence	Categorical Data Analysis and Generalized Linear Models	Deep Learning and Text Mining	Applied Data Analytics
02 Cloud Computing	Fundamentals of Cloud Computing	Cloud Architecture and Services	Google Cloud Essentials	Cloud Application Development
03 Cybersecurity	Cybersecurity Essentials	Cyber Law and Ethics	Ethical Hacking	Cryptography and Network Security
04 Comprehensive Emerging Technologies	IoT Essentials	Data Mining Techniques	Blockchain Technologies	Big Data Analytics and Business Intelligence
05 AI & ML	Fundamentals of Artificial Intelligence and Problem Solving	Introduction to Machine Learning	Fundamentals of Unsupervised Learning	AI in Project Management

Eligibility

- ◆ Candidates must have completed 10+2+3-year bachelor's degree from a recognized university/institution or an equivalent qualification as recognized by the Association of Indian Universities.
- ◆ Candidates who have completed 10+2 education or graduate level education outside India must produce a certificate of equivalence issued by the Association of Indian Universities.

Duration

- ◆ Minimum 2 years (divided into four semesters)

Career prospects

- ◆ Chartered Accountant (CA)
- ◆ Financial Analyst
- ◆ Auditor
- ◆ Company Secretary (CS)
- ◆ Investment Banker
- ◆ Accounting Manager
- ◆ Cost and Management Accountant (CMA)
- ◆ Tax Consultant
- ◆ Finance Manager

Master of Commerce

Online MCom

This MCom program blends advanced commerce knowledge with real-world skills, preparing students for roles in finance, strategy, and global business. Flexible and industry-focused, it's ideal for building strong analytical and leadership capabilities.

eLearning: The Future Is Now!

The eLearning material will be made available to you on the Learning Management System (LMS) based on the four-quadrant approach, as per UGC (Credit Framework for online learning courses through SWAYAM) Regulations, 2016. It includes a combination of the following eLearning content, namely

Video Lectures

Virtual Classrooms

Virtual Simulation

E-content

Interactive Material

Discussion Forums

I was married off at a young age and couldn't continue my studies further. After my 12th grade, I couldn't study for over 5 years. With Online Manipal, I'm able to study at my own pace and convenience. I hope to pursue my MBA degree as well and become an HR manager in future.

- Khatija Iqbal

The More You Know

Evaluation

The assessment system has been conceived, developed, and administered on a rigorous and fair basis to bring out the best in you and prepare you for a challenging career. Your performance evaluation will be based on both continuous evaluation and term-end examinations.

Theory papers

The theory part is assessed by performance based on continuous assessment (CA) through assignments and term-end examinations TEE. The assessment ratio for TEE to CA is 70:30. The CA is based on assignments prepared by the University. TEE will comprise descriptive and multiple-choice type questions. You must score at least 40% in both CA and TEE to be declared as pass.

Practical papers (as applicable)

The assessment for the practical part is based on the performance in guided exercises (i.e. day-to-day exercises) and unguided exercises which will be conducted on the last day of the practical sessions in each subject with an external examiner. The assessment ratio for TEE to CA is 30:70. You must score at least 40% in both the parts to be declared as pass.

Examination

The university semester-end examinations will be held digitally viz. computer-based and online proctored. You can appear for the exams from the comfort and safety of your homes. A laptop or desktop computer with a functioning webcam connected to the Internet is required to appear for the exams. The details of the examination schedule will be made available in the photo admit card issued for appearing for the term end theory examinations. The university will share all examination details via the student portal.

Results

The results will be published on the student portal. If you fail to clear any of the papers (either in TEE or CA or both), you have to re appear for the relevant paper by applying to the university through the resitting application along with relevant fees, within the due date.

Awards and degree

Successful students, on satisfying all criteria stipulated by the university, will be awarded the respective degrees by the university.

Right to amend rules

The university reserves the right to add / delete / change / amend the syllabi, program structure, rules and regulations wherever considered necessary and appropriate without any prior notice. You are advised to go through the website frequently where all circulars and important information will be hosted from time to time. Promulgation of any such information on the website in the form of circulars / notices is considered to be adequate.

Jurisdiction

All disputes relating to university program and activities are subject to local jurisdiction (Rajasthan) only.

Application Process

Program Registration

Fill in your basic, education & work experience-related details and pay the application fee to register.

Fee Payment

Pay the admission fee for the first semester/year or full program.

Document Upload

Upload supporting documents & submit your application.

University Approval

The university will evaluate your documents to confirm your admission.

Prospectus 2026-27

“

Working as a business associate in a bank and with 10 years of work experience, I want to improve my skills in marketing and sales. An online BBA degree was the best choice considering the flexible learning opportunities that Online Manipal offers. The curriculum of the online BBA program is very good and the mentorship we receive from course coordinators is excellent.
