About SMU

Sikkim Manipal University (SMU), established in 1995, is a NAAC A+ accredited institution offering UGC-entitled degrees. With a strong legacy of academic excellence, SMU leverages state-of-the-art technology to deliver accessible, industry-relevant programs, ensuring students gain quality education.

SMU's distance education arm, founded in 2001, has educated over 500,000 students, becoming a top provider of professional programs in India. Recognized for its excellence, including the 'Most Preferred Distance Education University Among Students' award, SMU now delivers affordable online degree programs in India, further extending its commitment to accessible education.

Duration

Minimum 2 years (divided into four semesters)

Career Prospects

- ◆ Software Developer
- ◆ Database Administrator
- ◆ Cybersecurity Analyst
- ◆ Full Stack Developer
- ◆ UI/UX Developer
- ◆ System Administrator
- ◆ Data Analyst
- ◆ Cloud Engineer
- ◆ Machine Learning Engineer

Master of Computer Applications

Online MCA

Gain advanced knowledge in computer applications and equip yourself with the skills to thrive in the ever-evolving field of information technology.

First Semester

- ♦ Fundamentals of Computers and IT
- ♦ Fundamentals of Mathematics
- ♦ Computational Mathematics
- ♦ Java Programming
- ♦ Operating Systems
- ♦ Database Management System
- ♦ Database Management System Lab
- ♦ Java Programming Lab

Second Semester

- ♦ Python Programming
- ♦ Software Engineering and Unified Modelling Language
- ♦ Design and Analysis of Algorithms
- ♦ AngularJS, ReactJS and Vue.js
- ♦ Design and Analysis of Algorithms Lab
- ♦ Python Programming Lab

Third Semester

- ♦ .NET Framework
- ♦ Computer Network
- ♦ Specialization Elective I
- ♦ Specialization Elective II
- ♦ .NET Framework Lab
- ♦ Computer Network Lab

Fourth Semester

- ♦ Mobile Application Development
- ♦ Specialization Elective III
- ♦ Specialization Elective IV
- ♦ Project

- ♦ Total credits: 80
- ♦ Each subject carries 4 credits
- ♦ Lab activities carry 2 credits each
- ♦ Each semester carries 20 credits

- ♦ Project carries 8 credits
- ♦ Learners are responsible for identifying their own project guide in accordance with the university's eligibility criteria

Note: *Bridge course (non-credit) applicable only for non-IT background.

** (Compulsory) Bridge course (non-credit) applicable only for non-mathematic background.

SMU reserves the right to change the program curriculum, eligibility, fee structure, number of sessions, duration, certificate format, admission process, and other terms in the program and can incorporate any such changes deemed necessary by the institute without prior intimation.

Program Specializations/Electives

The More You Know

Evaluation

The assessment system has been conceived, developed, and administered on a rigorous and fair basis to bring out the best in you and prepare you for a challenging career. Your performance evaluation will be based on both continuous evaluation and term-end examinations.

Results

The results will be published on the student portal. If you fail to clear any of the papers (either in TEE or CA or both), you have to re appear for the relevant paper by applying to the university through the resitting application along with relevant fees, within the due date.

Jurisdiction

All disputes relating to university program and activities are subject to local jurisdiction (Sikkim) only.

Examination

The university semester-end examinations will be held digitally viz. computer-based and online proctored. You can appear for the exams from the comfort and safety of your homes. A laptop or desktop computer with a functioning webcam connected to the Internet is required to appear for the exams. The details of the examination schedule will be made available in the photo admit card issued for appearing for the term end theory examinations. The university will share all examination details via the student portal.

Theory papers

The theory part is assessed by performance based on continuous assessment (CA) through assignments and term-end examinations TEE. The assessment ratio for TEE to CA is 70:30. The CA is based on assignments prepared by the university. TEE will comprise descriptive and multiple-choice type questions. You must score at least 40% in both CA and TEE to be declared as pass.

Right to amend rules

The university reserves the right to add / delete / change / amend the syllabi, program structure, rules and regulations wherever considered necessary and appropriate without any prior notice. You are advised to go through the website frequently where all circulars and important information will be hosted from time to time. Promulgation of any such information on the website in the form of circulars / notices is considered to be adequate.

Awards and degree

Successful students, on satisfying all criteria stipulated by the university, will be awarded the respective degrees by the university.

Application Process

Program Registration

Fill in your basic, education & work experience-related details and pay the application fee to register.

Fee Payment

Pay the admission fee for the first semester/year or full program.

Document Upload

Upload supporting documents & submit your application.

University Approval

The university will evaluate your documents to confirm your admission.
